Corporate Chartered Status Schedule 1: The CCS Rules

Objectives

All capitalised terms that are not defined in the CCS Rules shall have the definition applied to them in the Terms & Conditions.

The objectives (“Objectives”) of these CCS Rules are as follows:

- 1) To establish and maintain a corporate Chartered status scheme whereby corporate entities in the insurance and financial profession are certified as having met enhanced practice standards.
- 2) To set out the terms by which a CCS Entity is granted CCS with the CII.
- 3) To set out the terms on which a CCS Entity may publicise such grant through the use of certain marks, signs, trademarks and collective marks of the CII pursuant to the Licence contained at paragraph 11 of the CCS Rules (“the Licence”).

- 1) CCS is an indication to clients and prospective clients, that they will be provided with the highest levels of service, expertise and integrity.
- 2) Any behaviour which tends to lower (or is capable of lowering) the reputation of CCS, the Chartered Insurance Institute (“CII”) or Personal Finance Society (“PFS”) or otherwise brings the profession into disrepute (including discourtesy in whatever form to clients, prospective clients, former clients and staff and other members of the CII or PFS) or which represents a breach of these CCS Rules may result in the CII’s withdrawal of any current CCS or refusal to grant a new application for CCS
- 3) Any competitive advantage accruing under Objective 3 is not the primary aim of the scheme (i.e. it is not designed as a marketing opportunity for participating Entities) and that the primary aim is to inform clients and prospective clients that the CCS holder adheres to the standards referred to in Objective 1 and aspires to exceed the minimum standards of the relevant regulator(s).
- 4) The loss of CCS (as a result of breaching the CCS Rules or otherwise) may, of course, carry adverse consequences in terms of publicity.

Glossary

Appropriate Management Team (AMT) – For incorporated entities solely carrying on the business of a financial planning, insurance or insurance broking company, normally this will be the Board of directors, as registered at Companies House.

In recognition of the diverse business models that exist however, the CII will consider applications from incorporated entities, where the CII at its sole discretion, deems an AMT to be more appropriate body than the Board of directors relating to the functional control and oversight of the entity and the practice of insurance or financial planning (typically containing people who hold an appropriate regulatory role under the Senior Manager Certification Regime) and, the eligibility criteria otherwise applicable to the Board, are fulfilled.

AMTs of specialist Divisions of limited liability entities will be considered in the same way, providing they are able to demonstrate to the CII's satisfaction, a functional distinction specialism, which is separate from the wider incorporated entity.

The CII may request such evidence as it sees fit, when considering an application for consideration of an AMT within an incorporated entity or from a Division of an incorporated entity, including for example (but without limitation), divisional profit and loss accounts, product or brand documentation, management structures, organograms, undertakings, etc, in order to evaluate the representations made in the course of the application. The CII's decision in such matters shall be at its sole discretion and shall be final and binding.

Appointed representative (AR) – A firm or an individual that carries on regulated activities under the supervision of another firm that the FCA directly authorises. Please be aware that the FCA's relationship is with the Principal firm, not the AR. The Principal firm takes full responsibility for ensuring that the AR complies with the FCA's rules. Furthermore AR firms need to apply for CCS in their own right, as they are separate legal entities and cannot assume the status if held by their Principal firm.

Audit – The annual renewal is the primary tool used by the CII to audit information provided by the CCS Entity and verify compliance with the CCS criteria. Its purpose is to ensure that CCS Entities have fulfilled their obligations, and have maintained their eligibility throughout the relevant period. The CII retains the right to change the frequency, scope and proportion of entities subject to audits and/or renewal where it deems it appropriate.

Board – Subject to paragraph 1 of the Eligibility criteria (within this Guidance - Appendix 1) – those who are wholly responsible for the control and governance of an Entity.

In a limited liability Company, 'Board' means the directors registered at Companies House.

In a partnership, 'Board' means the equity partners of the Firm.

In a limited liability partnership, 'Board' means the designated members registered at Companies House.

Board Member – will be:

- a director of a limited liability Company as registered at Companies House, whether executive or not; or
- an equity partner in a partnership as evidenced by the partnership agreement, whether executive or not; or
- a designated member of a limited liability partnership as registered at Companies House, whether executive or not.

CCS – Corporate Chartered status. This is a contractual agreement and non exclusive licence granted to an Entity meeting and maintaining the relevant eligibility, competence, conduct and culture criteria, more particularly defined in the rules and the guidance material.

CCS Sponsor – A CCS Sponsor will be appointed by the Board in circumstances where the Responsible Member is part of the Appropriate Management Team and is not otherwise a member of the statutory Board or is not an equity partner in a partnership. In all other cases the Responsible Member will undertake the duties of the CCS Sponsor.

The CCS Sponsor is the person responsible on the Board of the Company or Firm having the CCS and ensuring that the Board is aware of the CCS Contract and its obligations. The CCS Sponsor must be a member of the CII.

The CCS Sponsor need not be a CII Chartered Financial Planner, Insurer or Broker (but in such circumstances cannot also be the Responsible Member, who must be a holder of the relevant CII Chartered title) but shall be an executive Board Member currently undertaking the role of either an Approved Person, as defined by the Financial Conduct Authority (FCA) or a Senior Insurance Manager (as defined by the Prudential Regulation Authority (PRA) which includes any regulatory requirements, superseding the appropriate persons regime. Specifically the CCS Sponsor ensures that an annual report relating to compliance with the requirements of CCS in the prescribed format (see below) is discussed and minuted at a quorate meeting of the Board on an annual basis and prior to submission of any renewal application.

"I confirm that having made due enquiry in support of XYZ Ltd's [application for] [renewal of CCS]*, the requirements of CCS are met in full and that there are no factors adversely affecting the CII's consideration of [the application]* [the renewal]*. *Please delete as appropriate.***CII** – The Chartered Insurance Institute.
